Hotchkis and Wiley Capital Management, LLC (the “Firm” or “H&W”) claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS standards. H&W has been independently verified for the periods October 9, 2001 through December 31, 2018. Verification assesses whether (1) the firm has complied with all the composite construction requirements of the GIPS standards on a firm-wide basis and (2) the firm’s policies and procedures are designed to calculate and present performance in compliance with the GIPS standards. The Value Opportunities Composite has been examined for the periods November 1, 2002 through December 31, 2018. The verification and performance examination reports are available upon request.

H&W refers to itself as a “registered investment adviser” in materials distributed to current and prospective clients. As a registered investment adviser with the SEC, H&W is subject to the rules and regulations adopted by the SEC under the Investment Advisers Act of 1940, as amended (the “Advisers Act”). Registration as an investment adviser is not an indication that H&W or its directors, officers, employees or representatives have attained a particular level of skill or ability.

Valuations and returns are stated in U.S. dollars. Investment returns include reinvestment of dividends and capital gains. Gross performance results are presented before management and custodial fees but after all trading expenses. Net performance results are presented after actual management fees and all trading expenses but before custodial fees. H&W’s management fees are described in Part 2A of its Form ADV. The standard Value Opportunities management fee schedule is 90 basis points on the first $25 million and 75 basis points thereafter. Internal dispersion is calculated using the equal-weighted standard deviation of all portfolios that were included in the Composite for the entire year. A list of composite descriptions and policies for valuing portfolios, calculating performance, and preparing compliant presentations are available upon request. Past performance is no guarantee of future performance.
